FAQs

Is the Lake Louise Inn at Lake Louise?

We are situated in Lake Louise Village, surround by glorious mountains and soaring pines. It is roughly a 10 minute drive to Lake Louise itself, which is open to public year round with multiple transportation options.

Can we have our ceremony and reception in the same space?

Having a ceremony and reception in the same room requires you and your guests to vacate the room after the ceremony for up to 1.5 hours or more (depending on the room size). This is so our staff can set up for your reception. We will provide the furniture, linen and tableware setup. Any décor after this, such as centrepieces, will require your attention before welcoming your guests back to the room. In the case of using the Peyto Room for both the ceremony and reception for bad weather, our team will be as efficient as possible!

What's included with the Ceremony and Reception space?

Your ceremony space will include banquet chairs for your guests and a signing table with white linen. Your Reception space will include furniture (tables and chairs), linens (white tablecloths and black napkins), tableware (plates and cutlery) and glassware (wine and water glasses). The Wedding Package is subject to 18% gratuity and 5% GST. Gratuity includes the setup, tear down, all furniture, all linens, all tableware, all glassware and cleaning.

Do you provide décor?

We do not provide décor for your ceremony or reception other than what comes with the room rental mentioned above. We recommend looking at our vendors for renting décor and bringing this with you. Some guests often get an arbour, table centrepieces, floral arrangements and an aisle runner from an event rental provider. The Gazebo is the only room with fairy lights wrapped around the top beam. We ask that you not hammer, nail or staple anything into any walls or into the wood in the Gazebo.

Can we bring candles as part of the table décor?

You are welcome to bring candles. We highly recommend battery-operated candles. If candles have a live flame, we recommend submerging these in a vase or dish. Floating candles are also acceptable and can be very popular.

Can we change the furniture?

If you want alternative furniture, you can bring your own or rented tables and chairs. All spaces will have banquet chairs and either rectangular or round tables. The Gazebo has wide picnic tables with no furniture change option. Bringing your own furniture will not reduce the Wedding Package fee.

Do you have any AV Equipment?

We offer a variety of AV Equipment, including additional TVs, a Projector, a Projector Screen, a Podium, a Microphone, and a Speaker/PA System. Prices are per day.

Do you have floor plans for your venue spaces?

Yes, we do! Please ask your Sales and Events Specialist for these. If we provide any Plated Dinners, we will require a seating chart and name cards for place seating. This ensures that the correct food is being delivered to the right guest. This is especially important when our team is accommodating dietary restrictions.

Do you provide a Wedding Cake, cake storage and what is your cake-cutting fee?

Unfortunately, we do not provide any Wedding Cakes as part of a dessert. However, amazing bakers in the Bow Valley can be found on our vendor list. We can offer cake storage in our kitchen refrigerators with two weeks' notice. Having a Wedding Cake for dessert does not change your menu price per person. Alternatively, we can offer some lighter dessert choices. This is subject to the cake dimensions. Our cake-cutting fee is included with the Wedding Package price.

FAQs

What times can you serve dinner?

Dinner can be served from 5:00 PM – 9:00 PM for a maximum of 2hrs. If you want to include a late-night snack, we can provide this with a minimum of 2 weeks' notice, served between 9:00 PM – 11:00 PM. A great option if you expect your guests to get peckish!

What time do you serve liquor until?

Per Alberta Liquor Law, alcohol can be served until 2:00 AM. The last call starts at 1:00 AM. The Gazebo has a limit of 11:00 PM as this venue can be disruptive to the rest of our hotel guests.

What are our options for the bar service?

We have a few options!

- **Host Bar:** there are no restrictions; guests can order whatever they like, and everything will be charged to the Master Account. You will cover everything!
- **Toonie Bar:** your guests will pay \$2 per drink. The collection of "Toonies" (\$2) will go towards the final bill for the bar, and you will pay the rest.
- **Cash Bar:** everyone will pay for their drinks for the evening. You are not on the hook for anyone else's drinks!

What if we want to pay for our guest's first drink?

We can offer drink coupons that can be redeemed for any drink on the menu, which will be added to the Master Account. It's very popular to offer 1-2 drink coupons each as "free drinks." We can also provide restrictions such as "redeemable for beer and wine only" – ask your Sales Specialist!

We want to bring alcohol instead, is that allowed?

You are welcome to bring your own wine; the wine must be delivered to our Food and Beverage team and will attract a \$25/bottle charge for the corkage fee. The corkage fee is charged per bottle of wine our staff opens on your behalf. You cannot bring your own beer, coolers, seltzers or spirits. If there is something specific you would like, ask your Sales Specialist to see if we can order this for you. This is subject to extra charges depending on how much we have to order from our supplier.

What are the check-in times for our guests?

Our regular check-in time is 4:00 PM daily. We offer an early 2:00 PM check-in through the Wedding Package for the Wedding Couple; this is subject to availability.

Where can the bridal party get ready?

If you want to get ready together and need a space big enough, we recommend staying in one of our Suites. Alternatively, you can look at using one of our smaller meeting rooms; however, this will be at an additional charge and subject to availability.

We plan to invite more than 80 guests; what are our options?

Here at the Lake Louise Inn, we know we can provide extraordinary services for weddings of up to 80 guests. We can cater to weddings of up to 100 guests, but this comes with some limitations. Such as, some guests may have to stand during the ceremony, and you may have to forego a dancefloor, DJ and band to fit enough tables for all your guests to have dinner.

We only want a ceremony or reception space. Do we qualify for the Wedding Package?

The Wedding Package includes a ceremony and reception space, and there is no change in price if only one room is required. Chat with your Sales Specialist to find our alternative options for ceremony or reception only with or without catering.

Can we add breakfast the next day for our guests?

Definitely! We have a couple of options: a private buffet which starts at a minimum of 35 guests, or vouchers for breakfast that your guests can redeem at their leisure. These options will be billed to your Master Account. Alternatively, guests can purchase their breakfast in our Legends Restaurant themselves.

FAQs

When do we need to have our wedding day information confirmed?

- Your Sales Specialist will require details confirmed at a minimum of one month from your wedding date.
- Food and Beverage final details must be confirmed two weeks from your wedding date.
- There are no further changes to your menu within one week from your wedding date. If you have cancellations within seven days, this will attract a 100% charge for the confirmed menu.
- All other cancellation and attrition policies are in your agreed contract.

What are the next steps to book our wedding?

If you would like more information on our wedding packages and available dates, please get in touch with Laura Howell, Sales Manager, at lhowell@lakelouiseinn.com. To secure your wedding date, we will require a deposit of \$1,000 due with a signed contract. All additional deposits will be noted on your contract, with the final balance being due upon departure.
